Technical Assistance with Housing Experts and Additional Resources

Hotel staff working on PRK exit planning are encouraged to attend technical assistance calls with housing experts every **Wednesday from 9:00-9:30a.m.** These calls are intended to be a resource and place to ask and get answers to questions about the exit planning process and procedures. **This is an excellent opportunity to get answers to questions in real time!** To be added to the invitation for these calls, please email Anna Fellers at anna.fellers@acgov.org.
